THE #ERASMUSDAYS, THE OFFICIAL EUROPEAN CELEBRATION

A new **European Celebration of Education and Citizenship**, the #ErasmusDays have brought together **39 countries with more than 1,435 events**. The quick development of this European festival (now in its second year) reflects the desire to celebrate locally the useful and concrete benefits of Europe, together with citizens and stakeholders of European projects.

Under the high patronage of the President of the European Parliament, Mr Antonio Tajani, and the European Commission, the #ErasmusDays have demonstrated the vitality of the European idea.

More than **116 million people** experienced these #ErasmusDays through media and social networks. Pupils, students, apprentices, job seekers, teachers, trainers, actors from the associations sector, parents and former Erasmus... They testified about their experience of mobility and cooperation in Europe and around the world to promote the opportunities funded by the European Union and the impact of the projects they support.

The #ErasmusDays were an opportunity:

- to concretely illustrate the **European projects** thanks to the actors and beneficiaries of Erasmus+ and give the floor to the **European citizens**;
- to **mobilise the different territories** and all local actors (public and private institutions, companies, communities, associations, decision-makers, media);
- to unite countries in Europe and in the rest of the world around the **Erasmus brand**, which is the third achievement at the European Union level (according to the mid-term evaluation of Erasmus+ by the European Commission in January 2018);
- to label several debates at the heart of the **Citizen Conventions**;
- to register several of these events as part of **the European Year of Cultural Heritage**.

The list of countries participating in the #ErasmusDays shows that Erasmus+ is open to the world: Albania, Austria, Belgium, Bosnia and Herzegovina, Bulgaria, Cameroon, Croatia, Cyprus, Czech Republic, Finland, Former Yugoslav Republic of Macedonia (FYROM), France, Georgia, Germany, Greece, Hungary, Iceland, Ireland, Italy, Ivory Coast, Kosovo, Latvia, Lithuania, Luxembourg, Malta, Morocco, Niger, Netherlands, Poland, Portugal, Romania, United Kingdom, Senegal, Serbia, Slovenia, Spain, South Africa, Sweden, Turkey.

A few months before the **European elections** and in the middle of the #ThisTimeImVoting campaign, the #ErasmusDays have widely mobilised.

This European celebration brought together stakeholders from professional, association, media, institutional and political circles around more than **1,435 events**. Erasmus+ projects developers organised a wide variety of events to popularise the Erasmus+ projects: interviews with European and international affairs and research departments within universities; meetings with European project partners; photo exhibitions and contests, concerts, escape games, theatrical performances, food tastings, radio broadcasts, Erasmus+ inaugurations and plaque presentations, citizen consultations, sports events, treasure hunts, open houses, etc. All these activities made it possible to reach all audiences in all sectors.

The #ErasmusDays took place on campuses, in schools, in the heart of cities and centres for young people and learning. Some spaces opened their doors especially; all brought their audiences together around international mobility (study, internship, training, civic service, sports activities, etc.). Parents of students and families were also involved on the weekend.

All events are referenced on the map of #ErasmusDays: www.erasmusdays.eu where project leaders could register their event and download a digital communication kit ahead of the event.

THE EUROPEAN YEAR OF CULTURAL HERITAGE

As 2018 is the European Year of Cultural Heritage, educational institutions working in the cultural sector have promoted their Erasmus+ projects.

115 #ErasmusDays events have been labelled European Year of Cultural Heritage.

An international event was held at the Acropolis Museum in **Athens**, in partnership with the Greek, Italian and French Ministries of Culture, as well as the Greek Ministry of Education and the French Embassy in Greece.

Meeting on October 10, 11 and 12, 2019 for the next edition of #ErasmusDays

spoopy_egg There are days and moments that you know you'll just remember for like squinting at the October sun on a in a foreign city with a beer in your hand and eventually enjoying the sunset with people who are as lost and amazed as you. You can feel that you'll remember the laughs sparkling in the air, the gent changing its colours, the soft music playing. You'll remember the comfortable feeling closing your eyes and resting your head on someone's shoulder even if you don't their language, while the sun disappears right in front of you.

Today I really felt like I was in a movie dream, so thank you all for today

Persönliche Erfahrung und Karrieremotor

Erasmus. In diesen Tagen stellen zahlreiche Hochschulen das weltweit größte Bildungsförderprogramm von Auslandsaufenthalten vor. Die Erfahrung aus inzwischen 35 Jahren zeigt: Mobilität befeuert die Karriere.

VON CLAUDIA DÄRRINGER

Durch die Affäre und Verstrickung mit einer internationalen Musikszene bekommt ich eine ausgezeichnete Chance, als Sängerin Fuß zu fassen und meine im Studium erworbenen Fähigkeiten in der Realität anzuwenden.“ Hieronima Firlej hat aus dem Musikstudium an der Vienna Music Institute (VMI) Gesang studiert und absolviert aktuell ein von Erasmus+ getriebenes und vom VMI initiiertes dreimonatiges Graduiertenpraktikum bei einer renommierten Musikagentur in den Niederlanden. Dort arbeitet sie als Promotion & Production Assistentin. Gerade nach einem Karrierestudium kann eine derartige praktische Erfahrung in einer maßstabsgerechten Institution sehr hilfreich sein, da es von Vorteil ist, als Kinderlein das eigene Business zu kennen.“

Konformanz verlassen

Sich für ein oder zwei Auslandssemester oder ein Auslandspraktikum zu entscheiden, bedeutet, die eigene Konformanz zu verlassen und sich auf ein Neues, meist auch anderssprachiges Umfeld einzulassen. Dies erfordert Offenheit, Flexibilität, Kommunikationsfähigkeit und Eigeninitiative, sagt Martina Beer vom International Office des Vienna Music Institute. Die Teilnahme am Programm Erasmus+ eröffnet unseren Studierenden die Möglichkeit, sich in einem anderen Kontext musikalisch und persönlich weiterzuentwickeln, Einblicke in länderspezifische Musik- und Kulturbereiche zu gewinnen und internationale Netzwerke aufzubauen, die gerade für Musikschaffende von besonderer Bedeutung sind.“

114 Mio. Euro für Österreich
Die Nationalagentur Erasmus+ Bildung im Österreichischen Auswärtigen Amt unterstützt die Hochschulen bei der Antragstellung. Seit 2014 sind 114,26 Millionen Euro Fördermittel in den österreichischen Bildungsbereich geflossen. Damit konnten 2383 Projekte und 70.061 Auslandsstudenten gefördert werden. Allein im Jahr 2018 sind es 36,42 Millionen Euro. 18.486 Menschen aus Österreich lernen, lehren oder arbeiten in diesem Jahr im Ausland.“

Die österreichischen Bildungsinstitutionen starteten heuer 479 neue ländertübergreifende Projekte“, resümiert Geschäftsführer Stefan Zott. Die größten Fördersummen zwischen 2014 und 2018 gingen an die Bundesländer Wien, Steiermark und Tirol. Und es ist für Zott noch Luft nach oben: „Wir brauchen noch flexiblere Instrumente, um den unterschiedlichen Bedürfnissen der Studierenden – von der Vollzeitstudien bis zum berufstätigen Teilzeitschüler mit Familie – besser gerecht zu werden“, sagt der 60-jährige Geschäftsführer.

Auch an der Fachhochschule St. Pölten ist man stets bemüht, Studierende, die einmal Zeit im Ausland verbracht haben, sind

Im Rahmen von Erasmus+ stehen bis 2020 insgesamt 14,7 Milliarden Euro für Auslandsaufenthalte von Studenten, Lehrenden und Lehrkräften zur Verfügung.

Am 5. Dezember findet bei uns im Haus die Go international! Informationsveranstaltung zu Auslandsaufenthalten statt. Mit zahlreichen Vorträgen rund um das Themengebiet Auslandsstudium und Auslandspraktikum. Außerdem werden Vertreter von Partnerhochschulen vor Ort sein, um ihre Hochschulen zu präsentieren“, erläutert Rügen Hütznauer, Leiter des International Office an der Fachhochschule St. Pölten.

Fit für interkulturelle Teams
Erasmus+ set für Studierendenzahl von entscheidender Bedeutung, ist Hütznauer überzeugt: „Studierende, die einmal Zeit im Ausland verbracht haben, sind

vielfach künftigen Auslandsaufenthalten gegenüber viel positiver eingestellt und haben ein besseres Verständnis für andere Kulturen. Das Arbeiten in disziplinierten und interkulturellen Teams gehört in der modernen Arbeitswelt oft schon zum Alltag.“ Interkulturelle Erfahrung gesammelt zu haben und vor allem für die Sichtweise anderer europäischer Länder offen zu sein, sei ein wesentlicher Aspekt der demokratischen Bewusstseinsbildung innerhalb der Europäischen Union und bringe vielfach auch einen Wettbewerbsvorteil auf dem Arbeitsmarkt mit sich, erklärt Hütznauer den Nutzen des Austauschprogramms.

Nebenwirkung „Erasmus-Effekt“

„Medel zu sein, ist nach der Rückkehr kein Tabu mehr“, sagt Sylvia Hahn, Vizekanzlerin für internationale Beziehungen und Kommunikation an der Universität Salzburg. Und das nicht nur im Karrieremarkt. „Im privaten Bereich sind die sogenannten Erasmus-Effekt mittlerweile legende. Auch hier ergeben sich durch und nach dem Auslandsaufenthalt neue Perspektiven und Wege, die eingeschlagen werden.“ Doch der größte Vorteil eines Erasmus-Aufenthalts liegt klar im beruflichen Bereich: „Für Unternehmen zählt Auslandsaufenthalte während des Studiums sind eindeutig Karriereplus“, ist die Salzburger Vizekanzlerin überzeugt.

Junos suchen eine Allianz mit Macron

Die NEOS-Jugend kooperiert mit der Jugendfraktion des französischen Präsidenten. Hintergrund ist die Suche nach neuen Partnern im EU-Parlament.

Von Cornelia Ritzer

Wien – Im Mai 2019 findet die EU-Wahl statt. Noch beschränkt sich der heimische Wahlkampf auf die chaotische Suche der SPÖ nach einem Spitzenkandidaten. Auf höherer Ebene wird im Hintergrund bereits an Bündnisse gearbeitet. Die Junos – die Jugendorganisation der NEOS – wollen bei diesem Prozess eine treibende Kraft sein.

Zum heutigen Erasmus+ Tag startet eine gemeinsame Aktion der Junos mit derzeit etwa 14 weiteren liberalen Jugendorganisationen in Europa. Grenzüberschreitend wird ein 12 Punkte umfassender Fragebogen ausgerollt, mit dem man die grundsätzliche Haltung von Bürgern zu Europa erfahren wird. „Meines Wissens ist das die größte europaweite Befragung, die von so vielen Organisationen unterstützt wurde“, sagt Junos-Chef Douglas Hoyos. Darauf ist der Nationalratsabgeordnete „extrem stolz“.

In allen Bundesländern will man auf Menschen zugehen und mit ihnen über ihre Vorstellungen, ihre Wünsche, ihre Kritik und ihre Visionen für die Europäische Union reden“. Das Ziel, so Hoyos, sei es, „weit über 1000“ Interessierte zu befragen und damit eine repräsentative Stichprobe zu liefern. Denn: „Für uns junge Europäer reicht es nicht, nur planlos Kritik zu üben und nationalkonservative

Töne anzuschlagen.“ Die Kooperation soll außerdem „Startschuss für etwas Größeres“ (Hoyos) sein.

So wird diese Zusammenarbeit der Jugendorganisationen der liberalen ALDE (Allianz der Liberalen und Demokraten) mit den „Jeunes avec Macron“, der Jugendfraktion des französischen Präsidenten Emmanuel Macron, als „starkes Signal für die Bildung einer Allianz“ gesehen. Die Positionierung von Macron Bewegung ist derzeit offen, eine Teilnahme bei ALDE scheint jedenfalls genau so plausibel wie die Gründung einer neuen pro-europäischen Bewegung. Junos-Vorsitzender Hoyos sieht als größte Gemeinsamkeit zwischen ALDE und der Macron-Gruppe „den Kampf für eine liberale Demokratie und gegen die Strache und Orbán“. Für ihn ist die Europawahl nichts weniger als „eine Schicksalswahl zwischen jenen, die das gemeinsame Europa zerstören wollen und jenen liberalen Kräften, die für ein starkes, handlungsfähiges und geeintes Europa kämpfen“.

Derzeit gibt es im Europäischen Parlament acht Fraktionen – von Pro-Europäern bis Gegnern – sowie fraktionslose Abgeordnete. Wer künftig zusammenarbeiten, wie wichtig, heißt es im österreichischen Verbindungsbüro des EU-Parlaments. Ob es mehr Europa, weniger oder sogar Stillstand gebe, hängt auch davon ab.

Ankommen im Ausland

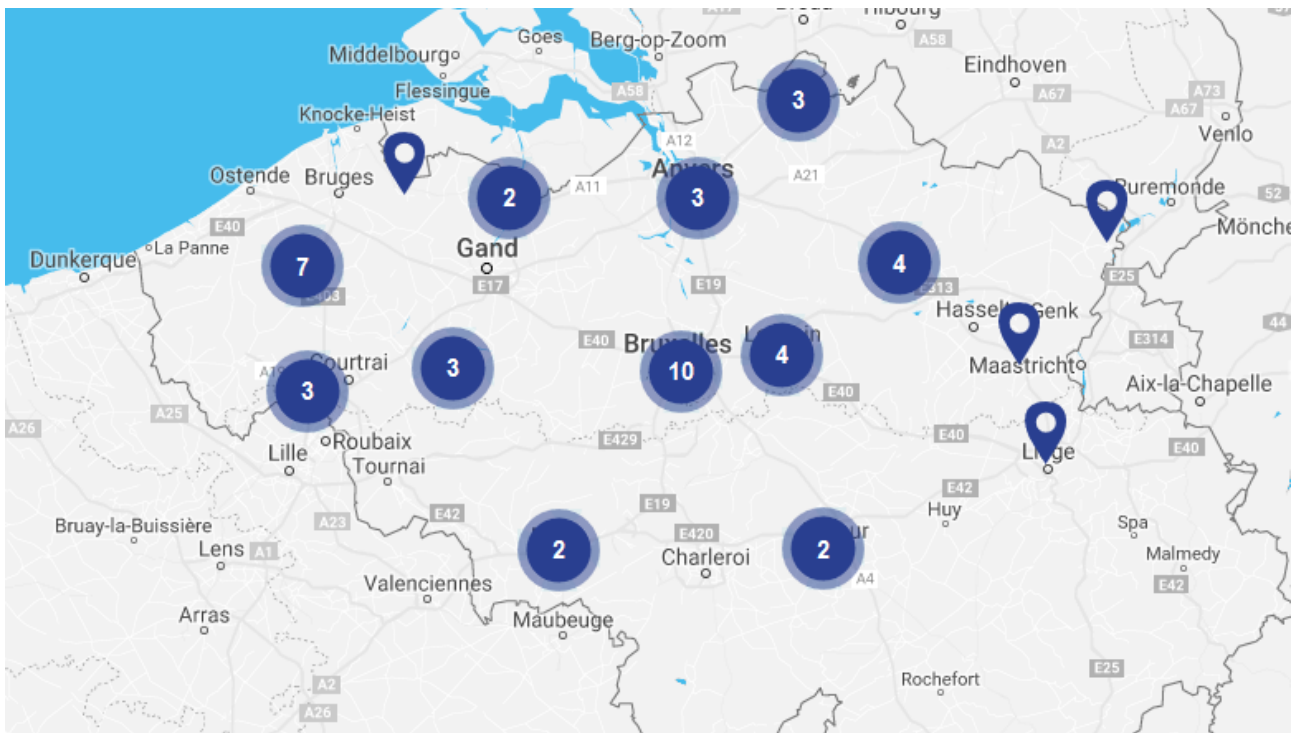

Erasmus + feiert heute mit Veranstaltungen in ganz Österreich

Die Zahlen zu Erasmus+ sprechen für sich: 2018 sind aus Brüssel 37,66 Millionen Euro Fördermittel in den österreichischen Bildungsbereich geflossen. Über 18.400 Menschen werden heuer im Ausland lernen, lehren oder arbeiten. Die österreichischen Bildungsinstitutionen starten nahezu 500 neue länderübergreifende Projekte. Das wurde gestern und wird heute in ganz Österreich gefeiert, vielleicht auch an einem Ort in Ihrer Nähe. Alle Veranstaltungen finden Sie online unter www.bildung.erasmusplus.at.

ErasmusDays - Rückblick 2018

Am 12. und 13. Oktober fanden die ErasmusDays europaweit zum zweiten Mal statt und konnten mit über 1435 Projekten in 39 Ländern einen deutlichen Erfolg verbuchen. 2017 von der Nationalen Agentur in Frankreich ins Leben gerufen, hatte die Kampagne bereits letztes Jahr einen beachtlichen Zulauf – in Deutschland allerdings war die Resonanz noch nicht so stark ausgeprägt wie in diesem Jahr!

Die Idee selbst ist schnell erklärt: An zwei Tagen wird die Marke Erasmus+ von allen Nationalen Agenturen und ihren Projektträgern nach außen kommuniziert, indem möglichst viele ihre Aktivitäten und Ergebnisse zeigen.

Im Zeichen der ErasmusDays fand in der Nationalen Agentur Bildung für Europa das Nationale EuroApprentices-Training statt. Hier kamen junge Menschen aus ganz Deutschland zusammen, die selber einen Teil ihrer Ausbildung im Ausland verbracht haben und jetzt als Botschafter für uns und das Programm Erasmus+ tätig werden möchten.

Mit einer Ballon-, Foto- und Tanzaktion auf dem Bonner Marktplatz zogen die EuroApprentices die Blicke der Passanten auf sich.

Bunte Ballons und Aufkleber machen Lust auf Erasmus+

Proud to be European: Die Bemühungen, in diesem Jahr mit einem einheitlichen Erscheinungsbild und der Verknüpfung mit inhaltlich passenden anderen europäischen Initiativen die Bekanntheit der ErasmusDays zu steigern, waren erfolgreich. So wurde beispielsweise das europäische Jahr des kulturellen Erbes und die Kampagne EUandME zur Verbreitung genutzt.

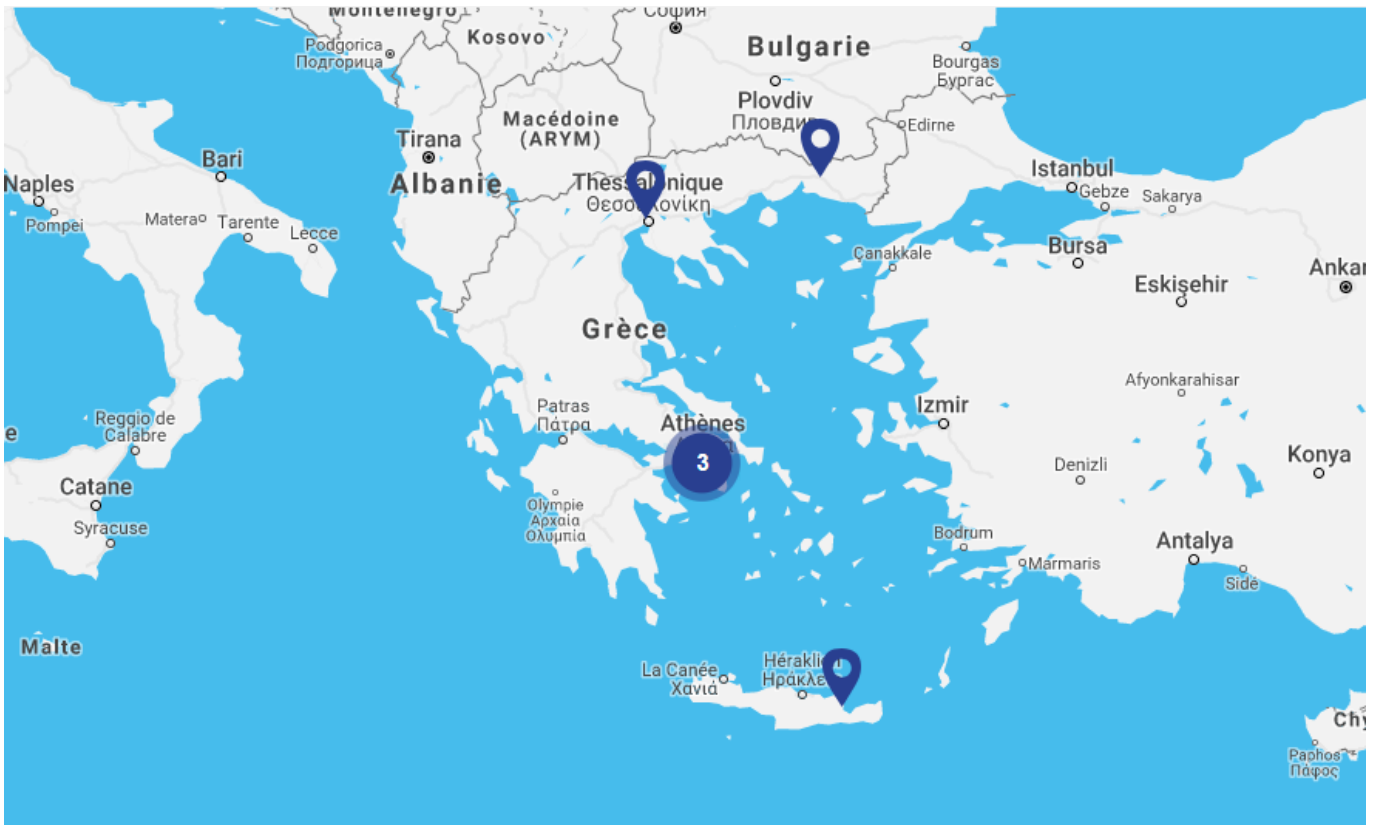

Nicht zuletzt durch die Schirmherrschaft des Europäischen Parlaments und der Europäischen Kommission konnte die Sichtbarkeit der ErasmusDays deutlich erhöht werden. Mit dem Leitspruch „Proud to be European“ und dem Hinweis an alle EU-Abgeordneten, mit diesem während der ErasmusDays Werbung für die Europawahl zu machen, haben die Nationalen Agenturen und ihre Projekte ein deutliches Zeichen für Europa gesetzt, welches erfreulicherweise besonders in Ländern wie Ungarn und der Türkei auf extrem fruchtbaren Boden gefallen ist.

ErasmusDays Kapadokya Etkinliği

Avrupa Birliği Eğitim ve Gençlik Programları Merkezi Başkanlığı Türkiye Ulusal Ajansı işbirliği ile ErasmusDays Kapadokya etkinliği Ahiler Kalkınma Ajansı Konferans salonunda yapıldı. ErasmusDays Kapadokya etkinliği açılışına Millî Eğitim Müdürümüz Sayın Murat DEMİR, Şube Müdürü Ramazan BIYIKLIOĞLU, Ulusal Ajans Uzmanları, idareciler, öğretmenler katıldı.

Etkinliğin açılış konuşmasında Millî Eğitim Müdürümüz Sayın Murat DEMİR Avrupa Birliği Eğitim ve Gençlik Programları Merkezi Başkanlığı ErasmusDays Kapadokya Etkinliği ERASMUS+ tanıtım ve bilgilendirme toplantısına hepiniz hoş geldiniz. İlimizde eğitim kalitesinin artırılması adına proje çalışmalarını çok önemsiyoruz. ERASMUS Programı dünya bilimine entegre olmuş, kapsayıcı, çoğulcu, çok sesli ve bu sayede açık fikirli 'Dünya vatandaşları' yetiştirmeyi amaçlar. Öğrencilerimizin yabancı dil becerilerini geliştirecektir. Bugün ilköğretim, ortaokul ve lise sıralarında öğrenim gören öğrencilerimiz, ülkemizin 2023 hedeflerine ulaşmamızda kilit rol oynayacak isimlerdir. Bu yüzden bu konudaki gösterdiğimiz çabamızda oldukça fazla. Öğrencilerimizi araştıran, sorgulayan, yeni fikir üreten ve yenilikçi bakış açısıyla hareket eden bireyler olmaları için her zaman destekliyoruz. Yurtdışı deneyimi insanlara farklı kültürleri tanıma, diğer ülkelerin gelenek ve görenekleri, yaşam biçimleri, eğitim, kültür, sanat gibi birçok konuda yeni şeyler öğrenmemizi sağlar. ERASMUS programının imkânlarından mutlaka yararlanılması gerekir. Nevşehir Millî Eğitim Müdürlüğü olarak tüm kurumlarımızda öğretmen ve öğrencilerimizde proje yapma konusunda farkındalık oluşturup okul müdürlerimizin projelerin her aşamasında öğretmenlerimize gerekli desteği vermesini sağlamak ve bu doğrultuda projelerde kalite ve nicelik artışının sağlamayı hedefliyoruz, dedi.

Millî Eğitim Müdürümüz Sayın Murat DEMİR böyle bir etkinliği Medeniyetler diyarı Kapadokya'nın gözbebeği Nevşehir'de düzenledikleri ve verecekleri faydalı bilgi ve paylaşımlarından dolayı Ulusal Ajans Başkanımıza, Ulusal Ajans Uzmanlarımıza, Millî Eğitim Müdürlüğü ARGE Birimine teşekkür etti. Bu etkinlik kapsamında projelerini sergileyen Mihriban Emin Günel Ortaokulu, Atatürk Ortaokulu, 15 Temmuz Şehitleri Anadolu Lisesi, TOKİ Mesleki Teknik Anadolu Lisesi, Recep Tayyip Erdoğan Anadolu İmam Hatip Lisesi, Özel Altınyıldız Ortaokulu ve Özel Kardelen Ortaokulu idareci, öğretmen, öğrencilerine ve tüm katılımcılara teşekkür ederek başarılar diledi.

The Campus France in **Georgia** has created a communication campaign and a series of testimonials to promote Erasmus +.

In Africa, six events were organised. They highlight the actions of the Erasmus+ programme for Europe-Africa cooperation in education and training, in South Africa, Cameroon, Côte d'Ivoire, Morocco, Niger and Senegal.

In Pretoria, **South Africa**, the Embassy of France and the Alliance Française organised an event on Erasmus+ partnership opportunities between Africa and Europe, based on the example of the project *Black Women in Science: the cultural and societal impacts of the Erasmus+ programme*.

In **Dakar**, the National School of Informatics for Industry and Enterprise (ENSIIE) and the Polytechnic School (ESP) invited more than 300 students on Saturday October 13th to a great celebration in front of the African Renaissance Monument with a John Band concert, a balloon release, movies and testimonies from Erasmus alumni, and meetings with local companies.

In **Morocco**, the University of Murcia (Marrakech campus) organised the close-out meeting of its Erasmus+ project on ICTs applicable to scientific experimentation.

In Abidjan in **Côte d'Ivoire**, Nangui Abrogoua University organised a full-day conference on the theme of international mobility and opportunities under the Erasmus+ program, with testimonials from staff and student beneficiaries.

In **Cameroon**, at the National Polytechnic School of Yaoundé, Cameroon's Minister of Higher Education participated in a round-table discussion on Africa-Europe cooperation for the benefit of training engineers in Cameroon.

In **Niger**, the French Embassy in Niamey organised a conference at Abou Moumouni University on Friday October 12th with representatives of the European Union, the Rectoral Team and the Ministry of Higher Education, Research and Innovation.

The Balkan countries have also been taking part, with events in Albania, Bosnia and Herzegovina, and Kosovo.

Albania presented the AL-Tour project which aims at supporting quality and access to tourism education and training in order to improve the quality of services and the impact of this sector.

The University of **Sarajevo (Bosnia and Herzegovina)** arranged a scholarship fair bringing together the various institutions offering scholarships (governmental and non-governmental organisations, embassies, civil initiative centres, local communities, foreign institutions, cultural centres, universities, etc.)

The University of **Pristina (Kosovo)**, in collaboration with the Erasmus+ office, proposed a one-day seminar on the principles of academic freedom and ethics at the Ministry of Education, Science and Technology. This seminar focused on academic freedom and the challenges of its implementation from a regional and global perspective, and addressed ethical principles in higher education.

The **Moldova** Info Centre and the "MilleniUM" Training and Development Institute organised Non-Formal Education Days #ZEN_Moldova. Interested people were invited to discover social games and cinema as non-formal educational tools.

Dear Sir/Madame,

I am contacting you regarding the #ErasmusDays initiative, which will take place on 12-13 October 2018, and consist of events, debates and media campaigns in many countries in Europe and beyond. The #ErasmusDays was initiated by the French Erasmus+ National Agency for education and training during last year's 30-year anniversary campaign and I am glad to see that so many agencies in other countries have decided to participate and organise events around the same dates this year. I fully support this initiative and would encourage you to take part.

I understand that currently around 22 or so Erasmus+ National Agencies in 20 countries have signalled that they will be joining the initiative, foreseeing a wide range of activities and mobilising local authorities, beneficiaries and stakeholders active in the fields of education, training and youth. The objective is to showcase the results of the Erasmus+ programme and stimulate debates around Europe and the impact that the projects funded with the programme have on citizens' life.

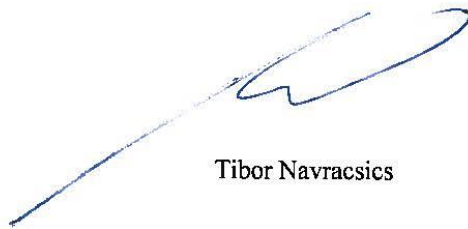

As you are aware, the Commission has just adopted its proposal for the next Erasmus programme. With more than doubling the budget to EUR 30 billion for the period 2021-2027, we look forward to 12 million people participating in the different types of exchanges and projects funded by the programme. Erasmus will continue to cover school, vocational education and training, higher education and adult learning as well as youth and sport. It will further promote activities which foster knowledge and awareness of the EU, and better outreach to people with fewer opportunities.

Rue de la Loi 200, B-1049 Brussels

It is therefore particularly important to raise awareness about the programme among all actors of civil society. I see the #ErasmusDays initiative as a great example and opportunity to provide a wide dissemination of the positive outcomes that the Erasmus+ programme has achieved over the last three decades.

Therefore, I would like to invite your National Agency to join and support the #ErasmusDays initiative, on 12-13 October 2018 or around these dates, by carrying out communication actions you deem most appropriate, as well as mobilising beneficiaries and stakeholders to promote and testify the added value of the Erasmus+ programme.

Yours sincerely,

Tibor Navracsics

Monsieur,

Je vous remercie pour votre demande en ligne du 12 mars, par laquelle vous sollicitez le patronage du Parlement européen pour la manifestation #ErasmusDays qui aura lieu les 12 et 13 octobre 2018 dans plusieurs pays d'Europe et du reste du monde.

Le Parlement européen se félicite de votre initiative, destinée à réunir des acteurs du secteur de l'éducation et de la formation et des citoyens européens afin de promouvoir et de célébrer la réussite du programme Erasmus+.

Je me réjouis de constater que vous organisez ce projet en réponse à un appel des institutions européennes invitant à faire mieux connaître le programme Erasmus+ et ses différentes composantes. J'ai la conviction qu'#ErasmusDays, qui regroupe plus de 2 000 manifestations locales en France et dans 33 autres pays participants et qui suscitera une couverture médiatique internationale, atteindra cet objectif. Les manifestations qui le composent sont en effet des plus diverses : séminaires, événements de mise en réseau, expositions photos, concerts, émissions de radio, jeux de piste, conférences ou encore hackathon, pour n'en citer qu'une partie.

Le programme Erasmus a préparé des générations entières, non seulement au défi d'élargir leurs horizons, mais également à trouver un emploi ou à créer une entreprise. Erasmus+ offre des possibilités très intéressantes en matière de formation universitaire et professionnelle, d'emploi, de volontariat et d'enseignement et dote ceux qui y participent des compétences nécessaires pour vivre de manière autonome et épanouissante. Il les aide à trouver leur place dans nos sociétés et à développer le sentiment d'une identité européenne, complémentaire de leurs identités nationales, régionales et locales.

C'est ainsi que j'octroie, avec un grand plaisir, le patronage du Parlement européen à votre manifestation¹.

¹ Toute manifestation recevant le patronage doit faire état dudit patronage dans ses communications et sa publicité en utilisant la formulation « placé sous le patronage du Parlement européen » et le logo du Parlement. Les conditions d'utilisation du logo du Parlement, le guide graphique ainsi que le logo lui-même sont disponibles auprès du service de l'identité visuelle de la direction générale de la communication (visualidentity@ep.europa.eu) ou dans le centre de téléchargement du Parlement européen à l'adresse: <http://www.europarl.europa.eu/downloadcentre/fr/identit%C3%A9-visuelle>. Veuillez noter que dans les communications relatives à la manifestation, y compris dans les contenus figurant sur l'internet, il faudra distinguer clairement le rôle du Parlement en tant que partenaire institutionnel apportant un soutien moral de celui d'éventuels bailleurs de fonds.

Expéditeur: VICE-PRESIDENTS FOR COMMUNICATION

Date: 7 septembre 2018 à 09:47:12 UTC+2 **Destinataire:** MEPs & ASSISTANTS-8th-Legislature

Objet: #ErasmusDays on 12-13 October 2018

Honourable Members,

Dear colleagues,

The President of the Parliament has recently granted his high patronage to the **#ErasmusDays** manifestation, which will take place on 12 and 13 October 2018 in 33 European countries participating in the Erasmus+ programme. Between 500 and 1 000 events will be organised to celebrate the impact of Erasmus on many generations of Europeans who benefitted from youth projects, education, vocational training, employment, entrepreneurship and volunteer opportunities under this programme.

Besides the President's patronage, the #ErasmusDays have also received the high patronage of the European Commission. The events, which will receive substantial media coverage and engagement on social media, are shaped under various formats: seminars, networking events, photo exhibitions, concerts, radio broadcasts, solve the mystery games, hackathons, etc.

One of the objectives of the 2018 edition of the #ErasmusDays is to help mobilize the European citizens and Erasmus alumni to participate in the European Elections 2019 – DG COMM is therefore in close contact with the organisers. **We would therefore encourage you to spread the news and, most of all, to take a look at the events organised in your country** (www.erasmusdays.eu) and participate in the ones you will find most relevant, in order to debate directly with the citizens, professionals and policy makers who participate in this European celebration. We are convinced that an active participation of the MEPs is essential for an active participation of the voters in the European Elections.

Yours sincerely,

Ramón Luis Valcarcel Siso

Vice-President of the European Parliament
